BEACHES

Blue waters of the Indian Ocean

Stroll across the white sand to dip your toes in the blue waters of the Indian Ocean. Kenya's beaches - Mombasa, Malindi and Lamu - feature world class resorts and a wonderfully laid-back atmosphere. Venture south to the island of Zanzibar for a unique fusion of Swahili and Muslim culture. Explore Zanzibar's spice plantations before relaxing on the beach to the sound of gentle waves crashing.

LUXURY TRAVEL

Never sacrifice comfort

For our luxury travelers, only the best will do. Boutique properties, unique activities and world class guides are just the beginning. Drink a glass of champagne as the sun sets on the Masai Mara after an amazing day of game drives. Our luxury travelers are catered to on a personal level, ensuring that every step of the journey is an unforgettable memory.
